

## Prayer To The Father

Our Father who is in heaven, whose Presence is with us always and whose Spirit dwells within us. Holy is your name. May your kingdom come and may your will be done, in our lives, in our families, our country and on earth just as it is in heaven. Thank you for giving us this day all that we need for sustenance, for nourishment and growth.

Forgive us, forgive us when we turn away from your love and when we trespass against you and those you put in our lives. Strengthen us and help us to forgive those who turn away from us and trespass against us. Keep us from yielding to all temptation and direct us away from anything or anyone that would distract us from your Presence, your will, your highest good for our lives.

Deliver us and protect us from all that is evil. For all glory and power is yours Almighty Father. Just as it was in the beginning. It is now. And always shall be. World without end. Let it be so. Amen.
